

The Carolina's Chapter of the American Backflow Prevention Association has scheduled a Cross Connection Control Facility Survey and Inspections Workshop. This training will focus on conducting surveys of commercial facilities, legal authority/policies, record keeping, training & education, assembly standards, & elements of a good program.

Columbia, SC Wednesday May 22, 2019

The workshop will begin at 8:30 AM and will be completed by 4:30 PM. **The cost is \$25.00 for Carolinas Chapter ABPA members or \$50.00 for non-members.** Snacks, drinks, & lunch are included with the registration fee.

Your application and check must be mailed to the address listed on the registration page or for your convenience you may register and pay on-line at www.carolinachapterabpa.org before May 15, 2019.

Class size will be limited to (60) students

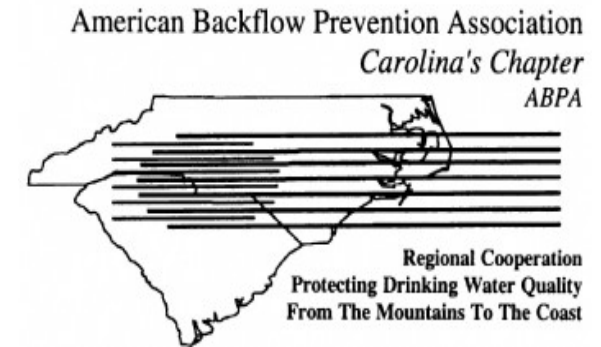

Your application and check must be mailed to the address listed on the registration page or for your convenience you may register and pay on-line at www.carolinachapterabpa.org before May 15, 2019.

Cost: \$25.00 for Carolinas Chapter ABPA members or \$50.00 for non-members!

Also, on the registration form we will need your email and/or fax number. We plan on sending the acceptance letter and/or an agenda via email or fax. Our goal is to save the Carolinas Chapter postage expense as well as saving the environment. Please fill out the registration completely.

You may contact Mr. John Watkins (SCDHEC 803-898-3567), Mrs. Kathy Riley (Charlotte Water 704-336-7084), or Mr. Brian Morrison (Fayetteville PWC 910-223-4704) with any questions.
